

Zentangle Pyramid

Name and Class Code: _____

1. There is no rush to finish. Clean lines make a better pyramid.
2. You will draw a DIFFERENT pattern on each triangle with ink pen.
3. You MUST create 1 ORIGINAL pattern.
4. You MUST use AT LEAST 2 colors anywhere in your pyramid.

After you finish, you may carefully cut the pyramid out and fold on each line. DO NOT CUT OFF TABS. You may use a glue stick to put the cube together.
